DETAILED ACTION

Allowable Subject Matter

Claims 1-40 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art (Kamille US 5,855,514) teaches a selection game including a plurality of selections (Kamille discloses a plurality of selections in Fig. 7c) with an eliminator selection (double arrow symbol in Fig. 7c), and picking one of the remaining unpicked and non-eliminated selection to be eliminated. When the player picks the double arrow selection (eliminator symbol), the player selects one of the two indicated playing spots (i.e., when the player selects the double arrow symbol on the bottom right corner in Fig. 7c, the player can either select the corresponding above spot or the corresponding right spot). Therefore the selection that is not selected by the player is the eliminated selection (i.e., from the bottom right corner in Fig. 7c, if the player selects above double arrow selection, the \$5 win is eliminated).

Regarding claims 1-11 and 31-39, prior art does not teach at least one of the other remaining unpicked and non-eliminated selections is picked by the processor without player intervention to be eliminated in play of the game.

Regarding claims 12-30 and 40, prior art does not teach that there is a display of an indication that the unpicked selection has been eliminated. More specifically, Kamille does not teach that there is any change in the display to indicate that the "un-selected" selection is removed from play. Kamille teaches the spots remain covered. Furthermore, in some cases, arrows may lead the player back to the "un-selected" spot

to be selected. Multiple paths may reach a certain spot, and thus the "un-selected" spot may not be eliminated in play of the game. The player receives no indication one way or the other.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
